#### Magazine

The BOSS MagazineThe BOSS magazine gives an view on the developments on the fields of Real Estate & Housing. The magazine will be published three times a year and is spread over students, alumni-members, companies and professors and researchers of the TU Delft.

The BOSS magazine is created by students of the master Real Estate & Housing, but the content is written by experts, professors en academic people. Besides some standard columnist the magazine includes also some reports form the organized activities within the student society.

The Magazine will be published in English. This is full in line with the internationalizing of BOSS. On the same time it gives international authors the possibility to write an article and to focus on international developments and projects.

If you are interested to write an article for the BOSS magazine or to place an advertisement, please contact us:
